

**ALABAMA STATE PORT AUTHORITY TERMINALS CLOSED
IN ANTICIPATION OF TROPICAL STORM ISAAC**

August 27, 2012, 3:00 p.m. CDT, Mobile, Ala. – The Port of Mobile remains under a Hurricane Warning, as issued by the National Weather Service. The Alabama State Port Authority has ended all vessel and cargo operations, completed all storm preparations and released non-essential employees until further notice. All Port Authority facilities will be reopened once post storm conditions on the ground improve and assessments in the port are completed. Updates on port conditions and employee return to work information can be found on the Port Authority's toll free hot line at 888-251-5755.

The Port Authority will issue updates to this notice as conditions warrant.
